Have questions about ACA? Join my online town hall.

I'm delighted to have the opportunity to share my thoughts with you on the implementation of the Affordable Healthcare Act (ACA) and how it will affect our state. I also want to know what issues or questions you may have about ACA and Covered CA. You can submit your questions and watch online as I respond in real-time in the "Ask Holly" question-and-answer session of the online town hall. Visit <http://sd26.senate.ca.gov/AskHolly> to submit your questions before or during the online town hall.
