Neema Cyrus-Franklin, Facilitator
L.L. White Hall

We hope you plan to join us for a time of learning, sharing, and wonderful fellowship. Our weekend will include artists and artisans with their wares for your shopping enjoyment.

Additionally, as part of our outreach, we are asking those who attend, or those who just want to give a blessing, to provide a regular size lotion or bath gel and a pair of socks to be donated to one of our community organizations that works with young ladies who are victims of child / sex trafficking. Our target amount for this outreach is 200 lotions / bath gels and 200 pairs of socks!
